

# Germantown PTO

Your PTO is pleased to offer limited edition prints and cards featuring our beautiful school, its students and mascot.

All of the prints and cards are produced using archival quality 100% rag paper and archival pigment inks. Just like the original art work, the print should retain its color and vibrancy for many decades. The paintings are by Jack Harrington, a Madison artist who works primarily in watercolor.

Support our wonderful school and enjoy these beautiful prints forever. Contact any PTO member or Leslie Threadgill for orders. I hope you will enjoy your print!
